

Upper Canada District School Board (UCDSB) International Education Program
Student Self-Introduction Form

Congratulations on making the once in a lifetime decision to study in Canada! We are excited to welcome you to one of the UCDSB's world class schools. To help your new school in Canada prepare for your arrival and understand your goals and aspirations we require all incoming international students to complete this form. Please be detailed in your responses and if you need more space, include your additional answers on a separate piece of paper.
