

Can any student enroll in the Pre-I.B. Program?

- There is no minimum requirement to join this preparation program in grade 9 or 10.
- Students who wish to pursue the International Baccalaureate Program should be academically-oriented and intend to pursue university studies after high school.
- Grade 9 students who wish to be considered for the program should indicate their intention on their course registration sheets (in the space provided).

What is the International Baccalaureate Diploma Program?

- The IBO's Diploma Program is a demanding pre-university course of study that leads to standardized global examinations.
- It is designed for highly motivated secondary school students aged 16 to 19 (grades 11 & 12).
- The program has earned a reputation for graduating well-prepared students who then have access to the world's leading universities.

What is Pre-I.B.?

- The pre-I.B. program was developed to assist grades 9 and 10 students in their preparation for the rigors of the International Baccalaureate Diploma Program.
- Students in grades 9 & 10 take courses (English, Math, Science & French) which provide enriched learning environments.

How does pre-I.B. differ from the normal Academic Program at BCI?

- The International Baccalaureate Program requires a set of problem solving and higher order research skills that go beyond what is normally required of high school students – one of the reasons why I.B. graduates have high levels of success in university.

*I think
